Christmas Prize Quiz

The picture on the left is taken from a 1970's guide to Hendon Museum and shows the layout of the main aircraft hall at the time.

A prize will be awarded to the member who can correctly identify the highest number of aircraft from these silhouettes. Entries must be received by email or post no later than 19th January 2012, and the answers will be included in the next newsletter.

As a clue, items 8 and 38 are only partial airframes; there are 10 aircraft from Hawker and 3 each from Vickers, Supermarine and Gloster (though one of these is number 8)..

Thinking caps on and good luck.
