Note to parents and guardians

This Club does not undertake to supervise junior members other than for the actual act of model aircraft flying and associated pre-flight and post-flight procedures, unless specifically arranged. Should you wish to leave your child at the flying site, it is your responsibility to arrange for one of the senior members to supervise him/her during your absence. Our activities at the flying site do not finish at a regular time and it is therefore your responsibility to ensure the well being of your child over and above arranging a predetermined collection time. In addition this Club has specific rules relating to junior members and you are required to study them carefully.
