Note to parents and guardians

This Club does not undertake to supervise junior members other than for the actual act of model aircraft flying and associated pre-flight and post-flight procedures, unless specifically arranged. Our activities at the flying site do not finish at a regular time and it is therefore your responsibility to ensure the well being of your child over and above arranging a predetermined collection time. Should you wish to leave your child at the flying site, it is your responsibility to arrange for one of the senior members to supervise him/her during your absence.

In addition this Club has specific rules relating to junior members and you are required to study them carefully.
